Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.

Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.

Family coverage: Children enrolled with a parent can be covered at the dependent child rate up to age 30. Any dependents under age 18 will not be enrolled until at least one parent or legal guardian has reached an approval status and accepted coverage. When children no longer qualify for the dependent child rate, they can transition to their own contract on the same product and deductible without having to pass medical underwriting again.
